

Mennonite Church Alberta

Financial Review for 2022

March 8, 2023

### Reviewers Report

We have reviewed the accounts, receipts, records and financial reports of **Mennonite Church Alberta** for the period **January 1 to December 31, 2022**. We are of the opinion that the Financial Statements are an accurate reflection of the transactions for the **fiscal year 2022**.

Overall, we feel that the financial records are well maintained and well documented – **Tany**: keep up the great work; **Wayne**: thank you for your (extended) service as Finance Committee chair.

We have provided some accounting and procedural suggestions to the Finance Committee, and feel it is appropriate to share one suggestion with the broader MCA membership:

1. With respect to online donation options on the MCA website, consider listing the Electronic Fund Transfer (EFT) option before the "Donate Now" button. This will indicate that it is the preferred (i.e. zero-fee) donation method. You may also want to consider changing the wording on the "Donate Now" button to "Credit Card Donation (extra fees apply)".

Respectfully submitted,

Noreen Neufeldt
