

March 1, 2022

Good morning!

MCA staff and committees have been hard at work preparing for our delegate sessions (March 19) and all-MCA worship service (March 20).

We are pleased that the Report Book is ready for distribution and is **available for download** at mcab.ca/ads22. It includes everything needed to prepare for the ADS:

- minutes from 2021
- staff and committee reports
- proposed budget
- nominations slate
- resolutions
- sharing from across our nationwide family
- reports and stories from our partner organizations

As I look at all that is included in the Report Book, I believe it to be one of the best ways to see, all in one place, how the many parts of the body of Christ work together. It will be of interest not only to delegates, but to anyone who would like to know more about our broad array of shared ministries.

This link will be sent to all registered delegates and guests. You are encouraged to connect with the delegates that you are sending before the ADS, as they represent your voice as we gather.

I ask you to share this information and the document link with your **congregation's chair**, your **pastor**, your **delegates** and with **anyone else who may be interested** as we prepare for our time together.

With appreciation for the ways in which we grow together,

Brenda Tiessen-Wiens
Moderator, MCA
