

Praise God!

He is ALWAYS at work!

(John. 5:17)

As congregations of **Mennonite Church Alberta**, we participate in international partnerships through **Mennonite Church Canada Witness**, and together support ministries in fourteen countries. As we reflect on this work over the past year, we give thanks to God for His continued faithfulness. Here are just a few highlights:

After 30+ years, the **Burkinabé Bible translators** in Burkina Faso are nearing the completion of translating the entire New Testament into the Siamou language thanks to the donations made through MC Canada. They are now planning to begin translating the Old Testament.

In Thailand, **Tom and Christine Poovong**, alongside other local leaders, have worked to bring together over 40 worshipping groups. This growth is why Tom notes that there new “greatest challenge” is the recruiting and training of local leaders.

The same is true in Ethiopia, where the fastest growing Mennonite Church in the world continues to outgrow their ability to train local leaders. To address this, they have invited **Werner and Joanne De Jong** to go and support them as they prepare to expand their training capabilities.

Even now, God’s work continues all over the world and He calls us to partner with His work. That is why we continue to strive to support these ministries that God has entrusted to us, and that is only possible with the continued support of our individual members and congregations. As you consider your year end giving, please, pray about how you may play a part in supporting one of our ministries.

Sharing gifts.
Building relationships.
