

"Jesus calls us to each other, vastly different though we are ... join the hand of friend and stranger... in their common search for truth"

(Voices Together #30, vs 3)

North Edmonton Ministries is a program of Mennonite Church Alberta that gives us tools and offers us experiences to participate in this important call. Through this ministry we are able to explore inter-faith bridge building promoting relationships of grace and understanding.

This ministry offers congregants the opportunity to connect

with people of other cultures and faiths, particularly Muslims, through reading stories and reflections, joining annual dialogues and monthly Scriptural passage discussions, and planning local activities that bring people from different cultures and faith traditions together.
